The Electronic Data you have received is copyrighted. You may make backup copies for your own use. IT IS ILLEGAL TO GIVE, SELL, OR RELEASE COPIES OF THE DATA TO ANOTHER PERSON, BUSINESS OR RELEASE THE DATA FOR ANY APPROVALS, BIDDING OR CONSTRUCTION PURPOSES WITHOUT THE EXPRESS WRITTEN CONSENT OF STACKHOUSE BENSINGER, INC. (SBI) OR ITS SUCCESSORS OR ASSIGNS.

Information contained in the file(s) is the sole property of SBI, and as such, SBI retains all rights of ownership, including but not limited to any copyright privileges. SBI is not responsible for any plan or other instruments of service subsequently prepared by others which contain any alterations, deletions, or additions to this data. This data was prepared for use by PA DEP as typical construction details for the October 2009 draft EROSION AND SEDIMENT CONTROL BEST MANAGEMENT PRACTICE (BMP) MANUAL. After the public comment period, DEP revised the manual (including some of the standard construction details prepared by SBI) and issued the March 2012 EROSION AND SEDIMENT POLLUTION CONTROL PROGRAM MANUAL. SBI has attempted to address all the revisions made by DEP in the CAD details being provided to you; however, SBI makes no guarantee or warranty that all revisions have been made.

These details are not provided for any particular project or situation. Any user of this information acknowledges that they are responsible for using accepted engineering judgment and practices in applying these details to a specific project, as may or may not be applicable.

It is acknowledged that any use by you or others, will be at your sole risk and without liability or legal exposure to SBI. Furthermore, you shall, to the fullest extent permitted by law, indemnify and hold harmless SBI from all claims, damages, losses and expenses, including attorney fees arising out of or resulting therefrom.

The recipient(s) of this electronic data recognize and acknowledge that designs, plans and data stored on electronic media including, but not limited to email, computer disk and CD, may be subject to undetectable alteration and/or uncontrollable deterioration. Therefore it is understood that SBI shall not be liable for the completeness or accuracy of any materials provided on electronic media or provided via email. SBI grants no warranties, express or implied regarding these CAD files, their fitness for any purpose, their quality, or their merchantability.

To the best of SBI's knowledge, no computer viruses have been detected with these files.

Please endorse this form below and return it to SBI as your acknowledgement of receipt of this data and acceptance of the terms outlined herein.
