

The Denver Borough in Lancaster County approached Stackhouse Bensinger, Inc. (SBI) with a request to develop a Master Plan for their existing park grounds. The Borough wanted to expand the park's amenities to include a range of new recreational opportunities. SBI developed a Master Plan, which added several sports fields, ample parking and walking paths.

The project scope included:

- Site Inventory and Analysis
- Pedestrian Circulation Development
- Overall Master Plan
- Wetland Preservation and Education
- Grading and Landscaping
- Active and Passive Recreational Amenities

Denver Borough Park Master Plan
